INDEPENDENT AUDITOR'S REPORT

To the Members of

Alembic City Limited

Report on the Audit of the Ind AS Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements of Alembic City Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the Ind AS financial statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, of the state of affairs of the Company as at March 31, 2025, its profit/loss (including other comprehensive income), its changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Act and Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Ind AS financial statements.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report and

other Shareholder's Information but does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including Ind AS prescribed under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks,

and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- (1) As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we report in "Annexure 1", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- (2) As required by section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- c. The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this report are in agreement with the books of account;
- d. In our opinion, the aforesaid Ind AS financial statements comply with the Ind AS prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended;

(i) The Company does not have any pending litigations which would impact its financial position;

(ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

(iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company;

(iv) (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(iv) (b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(iv) (c) Based on the audit procedures that are considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the

representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

(v) The Company has not declared nor paid any dividend during the year. Hence, reporting the compliance with section 123 of the Act is not applicable.

(vi) Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account for the financial year ended March 31, 2025, which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

ANNEXURE 1 TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section in the Independent Auditor's Report of even date to the members of Alembic City Limited ("the Company") on the Ind AS financial statements for the year ended March 31, 2025.]

Based on the audit procedures performed for the purpose of reporting a true and fair view on the Ind AS financial statements of the Company and taking into consideration the information, explanations and written representation given to us by the management and the books of account and other records examined by us in the normal course of audit, we report that:

- (i)
 - (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of right-of-use assets/investment property.
 - (a) (B) The Company does not have any Intangible Assets and accordingly, reporting under clause (i)(a)(B) of paragraph 3 of the Order is not applicable.
 - (b) The Company has a program of physical verification of Property, Plant and Equipment, including Investment Property to cover all the items in a phased manner over a period of three years, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. However, the fixed assets of the Company have not been physically verified by the management during the year and as such, we cannot comment on material discrepancies existing, if any
 - (c) The Company does not have any immovable property (except Right of Use Assets and Leasehold improvement). Lease agreements are duly executed in favour of the lessee.
 - (d) The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) and/or Intangible Assets during the year. Accordingly, reporting under clause (i)(d) of paragraph 3 of the Order is not applicable.
 - (e) No proceedings have been initiated or are pending against the Company as at March 31, 2025 for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii)
 - (a) The Company is in the business of renting of immovable properties, and consequently, does not hold any inventory. Therefore, reporting under clause (ii)(a) of paragraph 3 of the Order is not applicable.
 - (b) The Company has not obtained any sanctioned working capital limit during the year, from banks and/or financial institutions, on the basis of security of current assets. Therefore, reporting under clause (ii)(b) of paragraph 3 of the Order is not applicable.
- (iii) During the year, the Company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, reporting under clause (iii) of paragraph 3 of the Order is not applicable.
- (iv) The Company has complied with the provisions of sections 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- (v) In our opinion, the Company has not accepted any deposits or amounts which are deemed to be deposits. Accordingly, reporting under clause (v) of paragraph 3 of the Order is not applicable.

- (vi) The Central Government has not prescribed the maintenance of cost records for any of the products of the Company under sub-section (1) of section 148 of the Act and the rules framed there under.
- (vii) (a) The Company is regular in depositing with the appropriate authorities, undisputed statutory dues including Goods and Services tax (GST), provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other material statutory dues applicable to it, in all cases during the year. During the year 2017-18, sales tax, value added tax, service tax and duty of excise subsumed in GST and are accordingly reported under GST.
- No undisputed amounts payable in respect of provident fund, employees' state insurance, income tax, GST, customs duty, cess and any other material statutory dues applicable to it, were outstanding, at the year end, for a period of more than six months from the date they became payable.
- (b) There are no dues with respect to provident fund, employees' state insurance, income tax, GST, sales tax, service tax, value added tax, customs duty, excise duty and cess, which have not been deposited on account of any dispute.
- (viii) We have not come across any transaction(s) which were previously not recorded in the books of account of the Company that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
- (ix) (a) The Company has not taken any loans or other borrowings from any lender. Accordingly, reporting under clause (ix)(a) of paragraph 3 of the Order is not applicable.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) The Company did not obtain any money by way of term loans during the year/and there were no outstanding term loans at the beginning of the year. Accordingly, reporting under clause (ix)(c) of paragraph 3 of the Order is not applicable.
- (d) On an overall examination of the Ind AS financial statements of the Company, no funds raised on short-term basis have, been used for long-term purposes by the Company.
- (e) On an overall examination of the Ind AS financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures as defined under the Act.
- (f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies, as defined under the Act.
- (x) (a) The Company has not raised money by way of initial public issue offer / further public offer (including debt instruments) during the year. Therefore, reporting under clause (x)(a) of paragraph 3 of the Order is not applicable.
- (b) The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Therefore, reporting under clause (x)(b) of paragraph 3 of the Order is not applicable.
- (xi) (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any

instance of fraud by the Company nor any fraud on the Company has been noticed or reported during the year, nor have we been informed of any such instance by the management.

- (b) No report under section 143(12) of the Act has been filed with the Central Government by the auditors of the Company in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014, during the year or up to the date of this report.
- (c) There are no whistle blower complaints received by the Company during the year and upto the date of this report.
- (xii) In our opinion, the Company is not a Nidhi Company. Therefore, reporting under clause (xii) of paragraph 3 of the Order is not applicable.
- (xiii) All transactions entered into by the Company with the related parties are in compliance with sections 177 and 188 of the Act, where applicable and the details have been disclosed in the Ind AS financial statements as required by the applicable accounting standards.
- (xiv) (a) In our opinion, the Company does not have an internal audit system and is not required to have an internal audit system as per the provisions of the Act. Hence, reporting under clause (xiv) of paragraph 3 of the Order is not applicable.

(b) The Company did not have an internal audit system for the period under audit. Hence, no Internal Audit Reports of the Company for the aforesaid period were provided.
- (xv) The Company has not entered into any non-cash transactions with its directors or persons connected with them during the year and hence, provisions of section 192 of the Act are not applicable to the Company.
- (xvi) (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Therefore, reporting under clause (xvi)(a) and (b) of paragraph 3 of the Order are not applicable.

(b) The Company has not conducted any Non-Banking Financial or Housing Finance activities without having a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.

(c) The Company is not a Core Investment Company (CIC) as defined in Core Investment Companies (Reserve Bank) Directions, 2016 ("Directions") by the Reserve Bank of India. Accordingly, reporting under clause (xvi)(c) and (d) of paragraph 3 of the Order are not applicable.

(d) As informed by the Company, the Group to which the Company belongs has no CIC as part of the Group.
- (xvii) The Company has not incurred cash losses in the current and the immediately preceding financial year.
- (xviii) There has been resignation of the statutory auditors during the year, however, no issues, objections or concerns were raised by the outgoing auditors.
- (xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the Ind AS financial statements and our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which cause us to believe that any material uncertainty exists as

on the date of this audit report and that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- (xx) The provisions of section 135 of the Act are not applicable to the Company. Hence, reporting under clause (xx) of paragraph 3 of the Order is not applicable.

ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 2(i) under 'Report on Other Legal and Regulatory Requirements' section in our Independent Auditor's Report of even date to the members of Alembic City Limited on the Ind AS financial statements for the year ended March 31, 2025.]

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of Alembic City Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness.

Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2025, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note issued by the ICAI.

1. Company Overview and Material Accounting Policies:

1.1 General Information

The Company is a public Company domiciled in India and is incorporated under the provision of the Companies Act applicable in India. The registered office of the Company is located at Alembic Road, Vadodara – 390 003, India. The Company's Financial Statements for the year ended 31st March, 2025 comprises of the Balance Sheet, Statement of Profit and Loss, Cash Flow Statement, Statement of Changes in Equity and the Notes to Financial Statements.

1.2 Basis of preparation of financial statements

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards as prescribed under Section 133 of the Act to be read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The financial statements have been prepared on the historical cost basis except for certain financial instruments which are measured at fair value in accordance with Ind AS.

1.3 Composition of financial statements

The financial statements are drawn up in INR, the functional currency of the company, and in accordance with IND AS presentation. The financial statements comprise:

- Balance Sheet
- Statement of Profit and Loss
- Statement of Cash Flow
- Statement of Changes in Equity
- Notes to Financial Statements

1.4 Material Accounting Policies

a Fair Value Measurement

The Company measures financial instruments at fair value at each reporting date.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

b Investment Properties

Property that is held for long-term rental yields or for capital appreciation or both, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequently expenditure is capitalized to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognised. Investment properties are depreciated using the straight-line method over their estimated useful lives. Though the Company measures investment property using cost based measurement, the fair value of investment property is disclosed in the notes.

c Current and non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is current when it is:

- Expected to be realised or intended to sold or consumed in normal operating cycle
 - Held primarily for the purpose of trading
 - Expected to be realised within twelve months after the reporting period, or
 - Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.
- All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
 - It is held primarily for the purpose of trading
 - It is due to be settled within twelve months after the reporting period, or
 - There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting
- All other liabilities are classified as non-current.

d Key Accounting Judgments, Estimates and Assumptions

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expense. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Any change in these estimates and assumptions will generally be reflected in the financial statements in current period or prospectively, unless they are required to be treated retrospectively under relevant accounting standards.

e Cash and Cash Equivalents

Cash and cash equivalents include cash at bank and cash in hand and highly liquid interest-bearing securities with maturities of three months or less from the date of inception/acquisition.

f Property, Plant & Equipments (PPE)

Property, Plant & Equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Cost comprises of the purchase price net of eligible input tax credit, and any attributable cost of bringing the assets to its working condition for its intended use, including the cost of long-term construction projects if the recognition criteria are met.

The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the statement of profit and loss. Assets to be disposed are reported at the lower of the carrying value or the net realizable value less cost of sell.

The company has adopted 'Cost Model' for accounting of its Property Plant and Equipment.

g Depreciation / Amortisation on Property, Plant & Equipment and Investment Properties

Depreciation / Amortisation on Property, Plant & Equipment and Investment Properties (other than freehold land and capital work-in-progress) is charged on Straight Line Basis so as to write off the original cost of the assets over the useful lives. The useful life of the fixed assets has been adopted based on the Technical Evaluation and in other cases, as prescribed under the Companies Act, 2013. Details for the same are as under:

Class of Assets	Range of Useful Life
Building	05-60 Years
Furniture & Fixtures	10 Years

h Capital Work-in-Progress

Assets under construction wherein assets are not ready for use in the manner as intended by the management are shown as Capital Work-in-Progress.

i Trade Receivables

Trade receivables are carried at original invoice amount less any provisions for doubtful debts. Provisions are made where there is evidence of a risk of non-payment, taking into account ageing, previous experience and general economic conditions. When a trade receivable is determined to be uncollectable it is written off, firstly against any provision available and then to the Statement of Profit and Loss.

j Financial Instruments

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument.

(i) Financial Assets

Initial recognition and measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three categories:

Debt Instruments at amortised cost:

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial measurement, debt instruments at amortised cost are subsequently measured at amortised cost using the effective interest rate method, less impairment, if any.

Financial assets at fair value through other comprehensive income:

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Company has made an irrevocable election for its investments which are classified as equity instruments to present the subsequent changes in fair value in other comprehensive income based on its business model.

Financial assets at fair value through profit or loss:

Financial assets which are not classified in any of the above categories are subsequently fair valued through profit or loss.

De-recognition

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de- recognition under Ind. AS 109.

(ii) Financial Liabilities

Initial recognition and measurement

The Company's financial liabilities include trade and other payables, loans and borrowings.

Financial liabilities are classified, at initial recognition, as at fair value through profit and loss or as those measured at amortised cost.

Subsequent measurement

The subsequent measurement of financial liabilities depends on their classification as follows:

(a) Financial liabilities at fair value through profit and loss

Financial liabilities at fair value through profit and loss include financial liabilities held for trading. The Company has not designated any financial liabilities upon initial recognition at fair value through profit and loss.

(b) Financial liabilities measured at amortised cost

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using the effective interest rate method except for those designated in an effective hedging relationship.

De-recognition

A financial liability (or a part of a financial liability) is derecognized from the company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

k Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable. This inter alia involves discounting of the consideration due to the present value if payment extends beyond normal credit terms.

Revenue is recognised when recovery of the consideration is probable and the amount of revenue can be measured reliably.

(i) Rental Income

Rental income on operating lease is accounted as income as per terms agreed with the customer.

(ii) Interest income

For all financial instruments measured at amortised cost and interest bearing financial assets, classified as financial assets at fair value through profit and loss, interest income is recognised using the effective interest rate. Interest income is included in "other income" in the income statement.

(iii) Dividend Income

Dividend income is recognised in profit or loss on the date on which the company's right to receive payment is established.

l Taxation:

Income tax expense comprises of current tax and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent that it relates to items recognized directly in equity/OCI, in which case it is recognized in other comprehensive income.

(i) Current tax

Current tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted on the reporting date.

The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

(ii) Deferred Tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted at the reporting date.

Deferred income tax asset are recognised to the extent that it is probable that future taxable profits will be available against which they can be used. Deferred tax assets – unrecognised or recognised, are reviewed at each reporting date and are recognised/reduced to the extent that it is probable/no longer probable respectively that the related tax benefit will be realised.

m Provisions, Contingent Liabilities and Contingent Assets

(i) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

(ii) Contingent Liabilities

Contingent liability is disclosed for (i) Possible obligations which will be confirmed only by the future events not wholly within the control of the company or (ii) Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

(iii) Contingent Assets

Contingent Assets are not recognised but are disclosed in the notes to the financial statements.

n Earnings per share

Basic earnings per equity share are computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

o Leases

(i) Company as lessee

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

The company recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability, adjusted for any lease payments made at or before the commencement date, less any lease incentives received, plus any initial direct costs incurred and an estimate of the costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located.

The right-of-use assets is subsequently measured at cost less accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the incremental borrowing rate applicable to the company. Generally, the company uses its incremental borrowing rate as the discount rate.

The company recognises the amount of the re-measurement of lease liability as an adjustment to the right-of-use asset. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the company recognises any remaining amount of the re-measurement in statement of profit and loss.

The company has selected not to recognise right-of-use assets and lease liabilities for short-term leases of all assets that have a lease term of 12 months or less and leases of low-value assets. The company recognizes the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

(ii) Company as a Lessor:

Leases in which the company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the company to the lessee.

The company classifies the sublease as a finance lease or as an operating lease with reference to the right-of-use asset arising from the head lease. That is, the company being an intermediate lessor treats the right-of-use asset as the underlying asset in the sublease, not the underlying asset that it leases from the head lessor.

Amounts due from lessees under finance leases are recorded as receivables at the company's net investment in the leases.

1.5 Recent pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2025, MCA has notified Ind AS – 117 Insurance Contracts and amendments to Ind AS 116 – Leases, relating to sale and leaseback transactions, applicable to the Company w.e.f. April 1, 2024. The Company has reviewed the new pronouncements and based on its evaluation has determined that it does not have any significant impact in its financial statements.

Level 1 : Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments and mutual funds that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

(ii) **Valuation technique used to determine fair value**

Specific valuation techniques used to value financial instruments are as under:

- a. The fair value of investments in mutual fund units is based on the net asset value (NAV) as stated by the issuers of these mutual fund units in the published statements as at Balance Sheet date.
- b. The fair value of quoted investment in equity shares is based on the current bid price of respective investment as at the Balance Sheet date.

14 Financial Risk Management

The Company has exposure to the following risks arising from financial instruments:

- Credit risk
- Liquidity risk and
- Market risk

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk controls and to monitor risks. Risk management policies and systems are reviewed periodically to reflect changes in market conditions and the Company's activities. The Company monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company.

(i) **Credit Risk**

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers, deposit and other receivables. Credit risk is managed through continuous monitoring of receivables and follow up of overdues.

Investments

The Company limits its exposure to credit risk by generally investing in liquid securities and only with counterparties that have a good credit rating. The Company does not expect any losses from non-performance by these counter parties, and does not have any significant concentration of exposures to specific industry sector or specific country risks.

Trade Receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer, demographics of the customer, default risk of the industry and country in which the customer operates. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

The Company has used expected credit loss (ECL) model for assessing the impairment loss. For the purpose, the Company uses a provision matrix to compute the expected credit loss amount. The provision matrix takes into account external and internal risk factors and historical data of credit losses from various customers.

(ii) **Liquidity Risk**

Liquidity risk is the risk that the Company will not be able to meet its financial obligation as they fall due. The Company ensures that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions.

Maturities of Financial Liabilities

The table herewith analyses the Company's Financial Liabilities into relevant maturity groupings based on their contractual maturities.

The amounts disclosed in the table are the contractual undiscounted cash flows. Balance dues within the 12 months equal there carrying balances as the impact of discounting is not significant.

(iii) **Market Risk**

Market risk is the risk that arises due to changes in market prices and other factors such as foreign exchange rates, interest rates and commodity risk. Market risk is also attributable to all market risk sensitive financial instruments including foreign currency receivables and payables and long term debt.

Price Risk

The Company is mainly exposed to the price risk due its investment in equity instruments and equity & debt mutual fund. The price risk arises due to unascertainty about the future market value of these investments.

Management Policy

The Company maintains its portfolio in accordance with framework set by risk management policies duly monitored by competent professionals.

15 Capital Management

The Company's capital management objectives are:

- to ensure the Company's ability to continue as a going concern; and
- to provide an adequate return to shareholders through optimisation of debts and equity balance.

The Company monitors capital on the basis of the carrying amount of debt less cash and cash equivalents as presented on the face of the financial statements. The Company's objective for capital management is to maintain an optimum overall financial structure.
